

Product Parameters

Electric Crimping Tool EZ-300

CRIMPING RANGE

16-300mm²

- It is suitable for outside and inside project of the distributor house, it is the special tools for all kinds of the connecting and building over hand cable.
- Fast crimping,thicken mold,lithium fast charge,automatic reset,save time and energy.

Model	EZ-300	Output	60KN
Stroke	17mm	Crimping range	10-300mm ²
Battery voltage	18V	Battery capacity	4.0Ah
Charging time	2 hours	Weight	4.6Kg
Crimping times	320 times per saturation voltage(copper wire:150mm ²)		
Crimping time	3-6 seconds (according to the diameter of the cable)		

Full Set

WARM PROMPT

Overseas imported goods have been changed in packaging and accessories, if the update is not timely, please forgive us! Please prevail in kind. Guaranteed products are original authentic overseas.

Product Detail

01 350° Rotating clamp head

The head can rotate freely at 350°, which is suitable for various angle operations.

Easy to Change Mold

02

Easily press to open the clamp head for easy mold replacement.

03 One Key Control

The operation is simple and convenient, one key can complete the operation.

One Key Reset

04

When there is an error in the crimping process, you can easily reset by pressing the trigger.

05 Battery

Battery upgrade to 4.0AH. Two batteries can work in turn.

New upgraded battery and battery charger

06

Faster charging and longer battery life, input: 100-240V-73W 50/60Hz output 1: 14.4V-18V = 3.5A
