

PRODUCT PARAMETERS

Ratchet Cable Cutter CC-100L

Model	CC-100L	Total length	330mm
Weight	0.7kg	Cut range	≤100mm ² cu/al cable
Packing size	330x115x40		

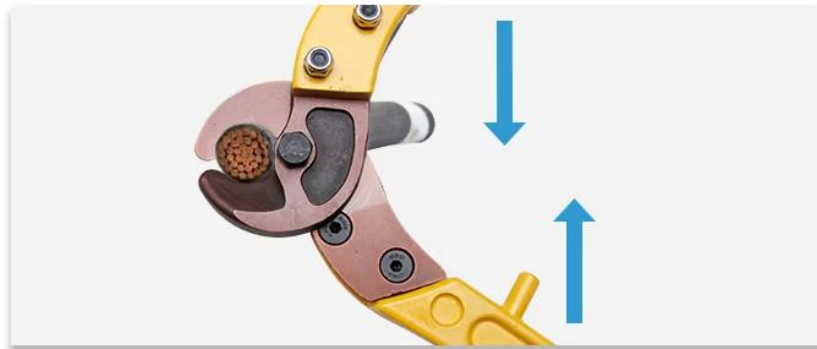

PRODUCT ANALYSIS

PROCEDURE

Put in the cable and crank the handle

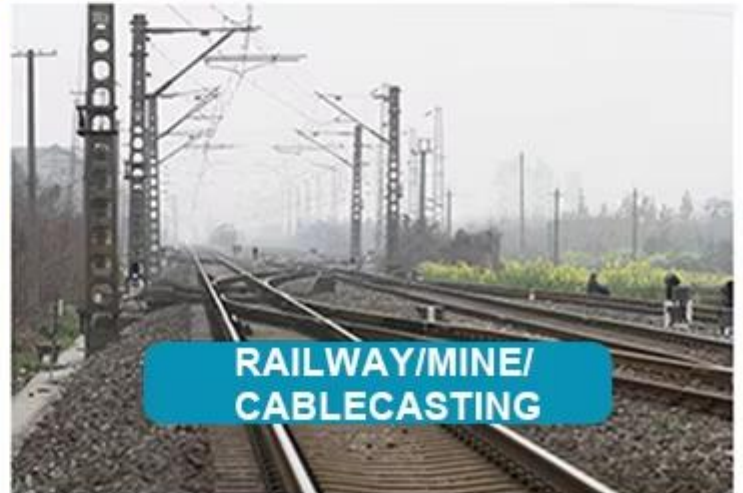

Cutting completed

Cutting range: $\leq 100\text{mm}^2$ cual cable

Scope of Application

cable cutters are widely used in construction, electric power transportation, heavy industry, shipbuilding and other industries.

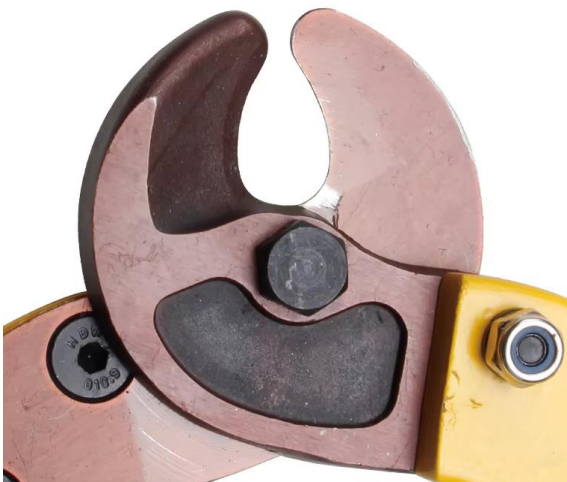

PRODUCT DETAILS

01

Alloy steel forging

Alloy steel forging, high frequency quenching of the cutting edge, high hardness, sharp cutting edge

02

Nut reinforcement

The connection is firmly connected with nuts, which is not easy to loosen

03

Non-slip comfortable handle design

Ergonomic design, comfortable to hold, easy and efficient cutting

PACKING BOX
