

**EC-50M**  
Electric cable cutter

Thickened plastic box

Two 18V Li battery

One quick charger

Style	EC-50M	Battery	DC18V/5Ah Li battery
N/G Weight	2.6kg/7.3kg	Charging time	2 hours
Cutting range	High and low voltage cables $\leq \Phi 50$ mm; steel strands $\leq 100$ mm <sup>2</sup> ; steel core aluminum stranded wire $\leq 800$ mm <sup>2</sup>		
Function	<ol style="list-style-type: none"> <li>1. built-in overload protection device prevents overload operation;</li> <li>2. the pinion gear has a large torque, and the ratchet-type card position prevents slipping;</li> <li>3. standard configuration with 2 rechargeable batteries and 1 charger</li> </ol>		

**EC-65M**  
Electric cable cutter

Thickened plastic box

Two 18V Li battery

One quick charger

Style	EC-65M	Battery	DC18V/5Ah Li battery
N/G Weight	2.6kg/7.3kg	Charging time	2 hours
Cutting range	High and low voltage cables $\leq \Phi 65$ mm		
Function	<ol style="list-style-type: none"> <li>1. built-in overload protection device prevents overload operation;</li> <li>2. the pinion gear has a large torque, and the ratchet-type card position prevents slipping;</li> <li>3. standard configuration with 2 rechargeable batteries and 1 charger</li> </ol>
